USEFUL INFORMATION

LEAGUE FORMAT

Players enter with a partner, all matches are played as doubles. There are 6-9 players in each league. Each team will play all opponents once. League is complete when each team has played every other team once, or the match deadline passes. On the rare occasion where there are fewer than 6 pairs in a division, each pair will play each one twice.

SCORING

Standard padel scoring applies. We recommend the use of the golden point rule in order to ensure Matches will comprise of 3 sets. Each set won will award 2 points. For example, a win of 3 sets to 0 will award the winning team 6 points, and so on. If the third set cannot be completed due to time constraints, teams may opt for a tie-break (first to 7, win by 2). If no tie-break is played, each team receives 1 point for the incomplete set.

LEAGUE RANKINGS

Each player will receive a registration form link. This form will ask questions which will enable us to place players in the correct divisions. We will take into account factors such as Playtomic score, previous experience, competition wins, examples of previous matches, self assessment etc. Our aim is to make the North East Padel League fun and challenging for all involved. Please answer the questions honestly! The top 2 teams in the division will be awarded promotion for the upcoming competition, and the bottom 2 teams will move down. Over time, this will allow the leagues to become more and more competitive.

USEFUL INFORMATION

LEAGUE ORGANISATION

Once players are confirmed, all players will be added to a Whatsapp group for their individual league. Fixture schedules for all gameweeks will then be posted on the Whatsapp group. This will include date windows in which the fixtures should be played. Players will be connected up to Padelmates to access the league. If for some reason the fixture can not be completed by those dates, please contact the league administrator on info@ukpadelleague.co.uk. Arrangements will be made to complete the fixture before the end of the League. Players should endeavour to resolve issues with scheduling themselves before contacting the league.

PLANNING MATCHES

Players may use their relevant whatsapp group or direct messaging on Padelmates in order to arrange matches. Players themselves are responsible for booking court slots. A venue should be chosen that works for all parties. Players should endeavour to be flexible and select venues that work for the majority. Players should be willing to travel where possible to meet half way, thus avoiding a burden being put on any one team. Please endeavour to book courts well in advance to ensure matches can be scheduled. One player can book the court on behalf of the others and all players should pay their share of the court hire immediately. All court booking issues must be handled between players and respective venues, and Padel League UK can not be held responsible for any no shows. Advance payment by all players should prevent issues. If you need to cancel your game and the booking player can not get a refund for the court hire due to the last minute nature, please ensure that the player not at fault is reimbursed for any court hire costs.

LEAGUE ADMINISTRATION - RULES

North East Padel League – Match Rules & Scheduling

To keep the league flowing smoothly and fairly, all teams are expected to play their scheduled matches within a one-week window. At the start of each season, a poll will be conducted within each division to determine the preferred match day. This day will serve as the priority day for fixtures, though matches may be played on alternative days if both teams agree. If a match is not played within the scheduled week, and neither team is clearly at fault, no points will be awarded to either team. This is to encourage players to play as many matches as possible. However, if one team is found to be responsible for the match not taking place—such as cancelling without rescheduling, failing to respond, or making no reasonable effort to arrange the fixture—it will be marked as a forfeit, and the opposing team will receive 6 points. Teams are encouraged to rearrange matches promptly if genuine issues arise. League administrators and opponents should be informed if holidays are booked meaning that games will be unable to be played. Please try to arrange the matches early so you don't get behind on games.

USEFUL INFORMATION

LEAGUE DROPOUTS

Player Withdrawal Protocol: If a player withdraws from the league, match outcomes will be adjusted based on the stage of withdrawal. If fewer than 50% of scheduled matches have been completed, all results involving the withdrawn player will be recorded as forfeits to maintain competitive balance. If more than 50% have been played, completed matches will stand and only remaining fixtures will be marked as forfeits. This approach ensures fairness across the league while recognising genuine participation.

The League Administrators reserve the right to make a decision regarding this which is fairest for all.

The League can not offer entry fee refunds after the divisions are set up or because of issues scheduling matches with other players.

LEAGUE PARTICIPATION

Minimum Age & Guardian Oversight: All players must be aged 16 or over to participate. Players aged 16 or 17 must be accompanied by a responsible adult (parent or guardian) during matches and league events. All communication regarding fixtures, disputes, or league administration must be handled by the parent or guardian on the player's behalf to ensure appropriate safeguarding and accountability.

COMMERCIAL/PROMOTIONS

Players must not use the league WhatsApp groups for any form of commercial activity such as sharing adverts or promotions. This includes using your Padel League contacts to promote alternative padel events or leagues. If you would like to use the league platform to promote your business, please email sponsor@ukpadelleague.co.uk.

USEFUL INFORMATION

RESULTS

Results for matches must be submitted onto the league using the Padel Mates app. This will then update the league table in real time.. If there are any issues or disagreements, players are asked to resolve before scores are publicised and league table is updated. Results will then be posted on social media and whatsapp groups, as well as updated league tables.

INJURIES / NO SHOWS / GAME NOT COMPLETE

If a player has an injury or is unable to complete the league, they may contact info@ukpadelleague.co.uk to request a new partner to take their place. It is up to the league administrator's discretion whether to allow this. No shows for any match will constitute a 3-0 loss, unless the opposing side are able and willing to rearrange the fixture. The side not at fault has no obligation to do so. We encourage all players to resolve disagreements and issues amicably within the spirit of the sport. If a team cancels a prearranged game, the team not at fault is under no obligation to rearrange the match. We would ask that every effort is made to do so within the spirit of the sport, however if the match can not be rearranged, the result would be recorded as a 6-0, 6-0, 6-0 victory to the team not at fault. If a match is not completed, 0 points will be awarded to either side, unless one pair is found to be at fault for the match not being completed. Players may be asked to provide evidence for reasons why games were not completed in order to establish who the points should go to. The league administrators will endeavour to come to decisions as impartially as possible. North East Padel League will not accept any responsibility for injuries or losses as a result from competing in the League. All players do so at their own risk.

If a team is more than 10 minutes late for a game and therefore the match can not be completed in the allotted time, the latecomer team will forfeit the final set 6-0. This will avoid the occurrence of the team not at fault losing out on points due to the non-completion. If the non-fault team is willing to arrange another game to complete the match that would be the ideal scenario, however they are not under obligation to do so. In the event of a discrepancy of fault, players will be used to resolve the disagreement between themselves before the League administrator will intervene. North East Padel League can not be expected to cover court fees for no shows.

CODE OF CONDUCT

CODE OF CONDUCT

Padel League UK – Official Code of Conduct

Padel League UK is committed to providing a competitive, fair, and enjoyable environment for all players. By entering the league, every participant agrees to uphold the standards outlined below and to contribute to a respectful, welcoming atmosphere across all divisions and venues.
